**Allison Page**

Marketing Coordinator

(Milwaukee, WI) Corporate Design Interiors (CDI) welcomes Allison Page as Marketing Coordinator to their company. Allison Page joins the CDI Team with over 6 years of marketing experience, most recently within a Kimball dealership. Her industry knowledge and event planning experience will aid in CDI's marketing efforts moving forward. Allison will be responsible for the creation of promotional and sales materials, content and strategy for the company's social media accounts, and the coordination and planning of special events, news and media activities.

"Allison's industry experience is certain to provide key insights as she enhances CDI marketing communications efforts," said Heather Nemoir, General Manager. "CDI recognizes that marketing efforts continue to diversify, expanding beyond traditional mediums. The addition of Allison will further aid in addressing such evolving needs."

Corporate Design Interiors (CDI) is a, WBE Certified, full service furniture dealership specializing in consulting, space planning, interior design, project management and installations of all sizes on a local, regional and national level. Their extensive product collections and value added services provide comprehensive furniture solutions that their team approaches with a passion, excitement and creativity. CDI is a "Select" Kimball Office Dealer. The "Select" status is Kimball's premier dealer designation, which demonstrates dealership excellence in sales, service, financial stability, business processes and more.
